<b>Hydrography</b>	
Lake	
Stream, River	
Canal, Aqueduct	
Sand, Flow Direction	

Horizontal Datum

Spheriod : Everest 1830  
 Projection : Modified Universal Transverse Mercator  
 Origin : Longitude 84° East, Latitude 0° North  
 False Co-ordinates of Origin : 500 000 m Easting  
 Scale Factor at Central Meridian : 0.9999

Sheet Index

Map History

This base map has been prepared from 1:15,000 scale aerial photographs of 1999 and updated from field verification in November 2007-January 2008. Ground verification has been carried out for the collection of geographical names, place names, government/private institutions, government/private buildings etc. Utility infrastructures such as electricity, telephone, sewerage and water supply were incorporated from information collected from concerned authorities and field data.

The map and associated data are owned by DUDBC/UEIP and Bidur Municipality. Unauthorized publication and use is liable to penalty.
